

CALL FOR PAPERS

AMERICAN CHEMICAL SOCIETY
DIVISION OF PETROLEUM CHEMISTRY

Symposium: Fuels of the Future

Spring 2011 ACS National Meeting
Anaheim, CA

March 27-31, 2011

Suggested Topics:

- **Feed/Product Characterization of Renewable and Non-conventional Fuels**
- **Chemistry and Petroleomics**
- **Biological, Catalytic and Upgrading Processes**
- **Kinetics and Modeling**
- **Fouling, Stability and Compatibility**
- **Economics**

Please submit abstract and preprint on-line at <http://abstracts.acs.org> by October 28, 2010

Organizer

Chang Samuel Hsu
Future Fuels Institute
National High Magnetic Field Laboratory
Florida State University
850-644-9861
